

Silvaco Opens Chengdu Office to Support Company's China Expansion and Growing Demand for Power Semiconductor Design Solutions

April 23, 2019

Santa Clara, CA and Chengdu, China – April 23, 2019 – Silvaco, Inc. today announced the opening of its latest China office to accommodate the company's continuing growth and broaden its footprint in China. Located in Chengdu, the newest Silvaco China office will provide product engineering and support. The Chengdu region has risen to become the fourth pole of China's IT industry, after Beijing, Shanghai and Shenzhen, and is the home of industry giants, such as Dell, TI, IBM, Huawei and Alibaba.

"China is a key part of the global semiconductor ecosystem with the expansion of Mobile and Big Data electronics businesses driving new developments in AI, Digital Display, IoT and Power IC," said Sharon Fang, General Manager of Silvaco China. "Silvaco China began in 2013, and our new Chengdu office is in the magnificent Tianfu Software Development Park, where more than 400 companies have established their facilities. We can draw on the talents of its huge community for our product engineering and support. Along with our Shanghai and Shenzhen offices, Chengdu strengthens our commitment to the expanding semiconductor IC market and especially to Power ICs which we see as a growing business opportunity."

Silvaco China's new office is located at:
Building E6-1, 9th floor, Software Park, No. 1366, Central Tianfu Avenue,
Gaoxin District, Chengdu, Sichuan Province, China
